

Lexis Advance® Quicklaw®

Simple Search. Superior Insight.

Excel in your legal research with Lexis Advance Quicklaw. You will find respected legal insights faster with our powerful search and collaboration tools..

START BY SIGNING IN

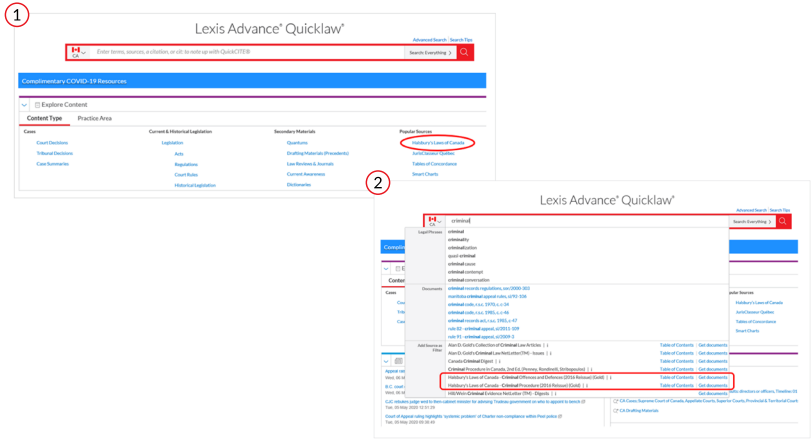

1. Go to **LexisNexis.ca**.
2. Under the **Product Sign-in** drop-down select **Lexis Advance Quicklaw** (or go to lexisadvancequicklaw.com).
3. Enter your **ID** and **Password** to login.

WHERE TO START YOUR RESEARCH

Start your search with **Halsbury's Laws of Canada**, our highly respected encyclopedia written by legal experts! It helps you understand terminology, leading cases and relevant legislation.

Two ways to find it:

1. Load it from the **Explore Content** portal.
2. Find it from the **Red Search Box**.

THE RED SEARCH BOX DOES IT ALL

Enter a phrase, topic, citation (e.g. 2009 SCJ 61), or source (e.g. *Sopinka, Lederman & Bryant: The Law of Evidence in Canada*) and watch the word wheel help you find what you are looking for across many helpful resources.

CHOOSE NATURAL LANGUAGE OR BOOLEAN SEARCHING

Simply enter your search terms using natural language; or use terms and connectors (Boolean) for precision searching.

"" quotation marks	Use quotation marks for an exact phrase e.g. "age discrimination"
and	Both words have to be in the document e.g. software and firmware
or	Only one of the words needs to be in the document e.g. ship or vessel
/n	First word has to be within N words of the second word e.g. employee /15 responsibility
! exclamation mark or * asterisk	Use the root of your word with the root expander at the end to find all possible endings of your word e.g. acqui! finds acquire, acquisition, acquiring, etc.

USE POST SEARCH FILTERS TO FOCUS YOUR SEARCH

Once you've run a search, you can further refine your list by applying various **post-search filters** (e.g. jurisdiction, court, timeline, etc.). You can also run your search in a different database by choosing it (e.g. Cases, Legislation, etc.)

The screenshot shows the Lexis Advance Quicklaw interface. At the top, the search bar contains 'social media defamation'. Below the search bar, the results are for 'social media defamation' with 10,000+ results. A sidebar on the left shows filters for 'Narrow By' with options like 'CA Cases' (10,000+), 'CA Legislation' (637), 'CA Quantums' (566), 'CA Drafting Materials' (407), 'CA Secondary Materials' (5,266), 'CA Dictionaries' (78), and 'CA News' (Get). The main results area shows a list of results, with the first result being 'Grant v. Torstar Corp., [2009] S.C.J. No. 61'. The snippet for this result reads: '... like bloggers, must act carefully, having regard to the injury to reputation that a false statement can cause. A defence based on responsible conduct reflects the **public** concern that the **media** should be held accountable through the law of **defamation**. As Kirby P. stated in Ballina Shire Council v. Ringland (1994), 33 N.S.W.L.R. 680 (C.A.), at p. 700: "The law of ...".

USE SEARCH TERM MAPS TO NAVIGATE THROUGH CASES

Our **Graphical View** features a **Search Terms Map** option, which allows you to quickly navigate to key paragraphs within a specific case.

1. **Grant v. Torstar Corp., [2009] S.C.J. No. 61**
Supreme Court of Canada | Federal | 22 Dec 2009
[2009] 3 S.C.R. 640 [2009] 3 R.C.S. 640 [2009] S.C.J. No. 61 [2009] A.C.S. no 61 — See all

Summary Decision Oth

Terms: Decision [2009] S.C.J. No. 61

... like bloggers, must act carefully, having regard to the injury to reputation that a false statement can cause. A defence based on responsible conduct reflects the **social** concern that the **media** should be held accountable through the law of **defamation**. As Kirby P. stated in *Ballina Shire Council v. Ringland* (1994), 33 N.S.W.L.R. 680 (C.A.), at p. 700: "The law of ..."

- What is the QuickCITE® Citation?
- How is a QuickCITE® record read?

NOTE-UP WITH THE QUICKCITE CITATOR TO MAKE SURE YOUR CASE IS STILL “GOOD LAW”

Treatment signals let you see at a glance how a case has been judicially considered. Simply click on the treatment indicator beside each case to link to the *QuickCITE* Citator record and view: the *History of a case* as it moves up through the courts, the *list of citing cases* and *links to commentary* to help you understand issues.

SIGNAL	SUMMARY	EXPLANATION
	Case citation information	A case citation information signal indicates a case citator record is available, but no known history or treatments. Select the signal to view the case citator record.
	Positive treatment	A positive (green) signal indicates the decision has positive history (affirmed, judicial review denied, or leave to appeal refused by a higher court) or positive treatments (followed or followed in a minority opinion of by subsequent court).
	Cautionary treatment	A cautionary (yellow) signal indicates the decision has been subsequently distinguished by a subsequent court.
	Negative treatment	A negative (red) signal indicates the decision has a negative history (judicial review allowed, reconsideration allowed, reversed, quashed, or varied by a higher court) or negative treatments (not followed or questioned by a subsequent court).
	Neutral treatment	A neutral signal indicates the decision has neutral treatments (mentioned, explained, cited, or cited in a dissenting opinion) or has history (abandoned, abated, leave to appeal granted, reconsideration denied, related proceeding, same case, or supplementary reasons by a subsequent court) where the citing court does not comment on the case. Note: A neutral signal is also given to cases that have been added to Lexis Advance within the past 3 business days, but which have not yet been assigned a QuickCITE treatment.
	Legislation citation information	A legislation citation information signal indicates a legislation citator record is available. Select the signal to view the legislation citator record.
