LexisNexis® Inspection Copy Policy

Inspection Copies

A limited number of "Inspection Copies" are available on selected LexisNexis Canadian student texts. Requests for Inspection Copies must meet the following criteria to be considered for approval:

- The text must directly relate to your current area of teaching.
- The text must be under consideration for adoption.
- Your requests must be made via the Butterworths Academic Examination Request form. This form must be completed in full.

Inspection Copies will be supplied on a first-come, first-served basis while supplies last. If our stock of Inspection Copies has been exhausted on a title, copies will be supplied at the Lecturer's Discount.

Lecturer's Discount

If you would like a copy of a title outside your teaching area, we are pleased to offer you a special Lecturer's Discount of 10% off the regular published price of selected Canadian and imported LexisNexis student titles available from LexisNexis Canada.

If the title is subsequently adopted by you for a course, your personal account will be credited with the cost of the text.

Orders for texts at the Lecturer's Discount must be made via the LexisNexis Academic Examination Request form.

Please allow 6 to 8 weeks for delivery of imported titles as they must be shipped from the originating LexisNexis company. Import orders are supplied on a "no return" basis.
