Complete your discovery process with LexisNexis CourtLink.

CourtLink is the leading online docket access and tracking solution to support thorough due diligence. Gain access to more than 200 million U.S. court records, including dockets, claims, judgments, and final actions from civil, criminal, and bankruptcy cases from over 4,400 U.S. federal, state, and local courts.

Legal professionals are using court dockets to conduct vigilant due diligence. A search of court dockets can reveal litigation activity involving existing or potential business alliances. Understanding the scope and nature of the litigation activity can help you make informed recommendations.

With CourtLink, you can:

- Uncover **historical litigation** activity dating back 20 years
- Access **95% of all federal** as well as state courts in 19 key states — right from your desktop
- Use **sophisticated searching capabilities** to quickly zero in on pertinent past and present litigation activity
- Set up **automated notifications** and be the first to know about breaking case information
- Find the decisive factor for a **merger or acquisition** opportunity or for litigation on an employment or intellectual property case
- Perform an advanced search of the CourtLink source — updated daily — to uncover **existing or past litigation activity** that could have an impact on your organization

Subscribers of the Lexis® service can also access their CourtLink account at www.lexis.com via seamless authentication.

New User Interface

CourtLink has been redesigned to be faster and easier to use. Now you can:

- Navigate among tasks and screens faster and more easily
- Search multiple court systems simultaneously
- Check the status of your document retrieval orders online
- Complete research faster than ever before
