

About LexisNexis

LexisNexis has been helping companies work more cost-effectively for over 30 years. We provide an unmatched range of web information solutions, such as the Lexis® service and the Nexis® service, to address specific information needs. We offer integrated solutions to deliver critical information where and when you need it, so you can make decisions quickly and confidently.

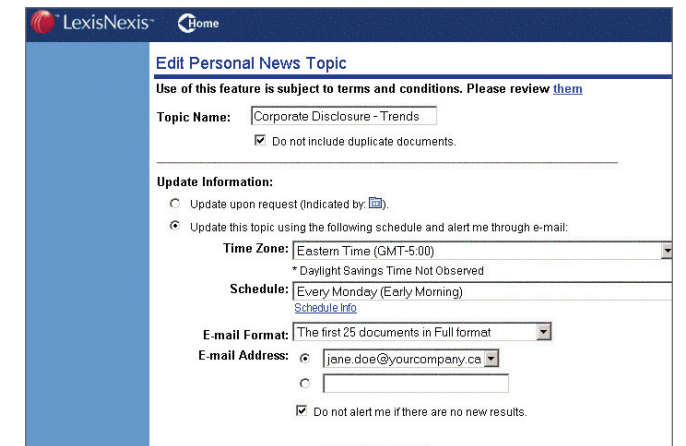

LexisNexis®

# Current Awareness Solutions

Featuring Canadian News and Business Content

Wouldn't it be nice, if you could...

- Have the latest news, industry, or company information delivered to your desktop?
- Use sophisticated yet intuitive search features in a web browser interface?
- Benefit from a fast, reliable search engine that searches every word of every document?
- Retrieve relevant results by using preset topic categories?
- Be certain of what you were searching for and know that the information would be available tomorrow?
- Save valuable time by setting up a news alert and receive updates automatically?
- Search archived information?

Dream no more...

No more browsing countless web sites for pertinent data or wondering if you've found reliable or credible information. LexisNexis puts **targeted information** at your fingertips, from the highest-quality sources — over 34,000.

Our current awareness tools (**Personal News** and **ECLIPSE™**) allow you to track and receive updates on specific news, business, and legal information, and have them automatically delivered to your desktop in **5 simple steps**:

1. Select an information source.
2. Enter your search terms.
3. Review your results.
4. Save your search.
5. Specify a schedule, format, and delivery method.

**Business Monitor International Corporate Trees Company Profiles Database**

provides quick and easy access to companies that make up the major multinational company offices in emerging markets in North and South America.

**Canada Business Directory** contains approximately 1.1 million records on Canadian businesses. infoUSA has been compiling business information since 1972 and use the Yellow Pages and business White Pages as sources for the directory along with telephone calls to each business to verify and add additional information on each company.

**Canadian Manufacturer's Database**, incorporating the Canadian Trade Index (CTI), is a comprehensive resource for Canadian manufacturers, distributors, and industrial service companies, providing product and trademark listings for more than 20,000 Canadian companies.

**CANCORP Plus** is a comprehensive source for information on publicly traded and selected private companies. It is produced jointly by Micromedia Ltd. and the Financial Post Data Group, and covers more than 8,000 Canadian companies.

**Company Profile Canada** is a source that provides complete and reliable marketing intelligence on more than 25,000 Canadian companies and organizations. Over 80% of the companies covered in this source are privately owned businesses.

**Company Briefs – Gale Group**, published by the Gale Group Inc., contains the current addresses, names, and titles of key executives as well as summary financial and marketing information for approximately 250,000 U.S. public and private companies and more than 180,000 companies outside the U.S.

**Datamonitor Company Profile Database** provides top-level information on 10,000 companies, 2,500 industries, and 50 countries.

**The Directory of Corporate Affiliations™** contains profile information and corporate linkage to the sixth level for more than 60,000 public and private companies located, or with a parent located, outside of the U.S. All parent companies have revenues of US\$10,000,000 or more.

**Duns Market Identifiers – Canada** contains basic company data, executive names and titles, corporate linkages, D-U-N-S® Numbers, organization status, and other marketing information for over 1 million Canadian companies.

**Financial Post Corporate Surveys** is a full-text source combining The Financial Post Survey of Industrials and The Financial Post Survey of Mines and Energy Resources. Detailed information is provided on over 6,000 listed and unlisted Canadian companies, as well as information on 6,000 subsidiaries and affiliates.

**Investext® Reports – International Sources** contains company, industry, geographical, and topical reports from the world's leading investment banks and research firms. Reports are authored by security analysts, who are employed to be accurate and insightful in their evaluation of companies and industries.

**Media General's Canadian Institutional Database** contains "as-reported" and restated annual and quarterly (interim) financial information, price and volume data, earnings estimates, institutional and insider statistics, and other financial and performance ratios on more than 3,300 Canadian companies.

**Mergers & Acquisitions in Canada** covers publicly announced Canadian domestic and cross-border transactions where at least one of the parties is Canadian and involving formal transfers of ownership of at least 10 per cent of a company's equity with a minimum value of CDN\$1,000,000.
