

# LexisNexis® *Publisher*

Topics now accessible on the  
**BlackBerry Wireless  
Handheld™!**

Enhance the value of your web site, intranet, or portal with premium content.

Integrating the right content is the best way to keep visitors coming to your site, whether it is your company web site or your employee intranet or portal. LexisNexis *Publisher* is a powerful tool that enables you, with a single interface, to integrate relevant information in all three environments. *Flexible, easy on you AND your budget, and the best content — all the keys to help you succeed.*

## **Customize to Meet the Needs of Your Site Visitors**

- Provide customized topics
- Create presentation style
- Add critical commentary, insights, or analysis
- Complement and enrich current internal information

## **Improve Your Efficiency**

Two hosting options to fit your needs:

- Hosted by LexisNexis — integration options that require minimal internal technical resources to implement
- Hosted by you — receive the content in .XML format to integrate into your current systems

## **Keep Visitors and Employees Up-to-Date**

- Relevant content from reliable news sources — over 12,000 for your intranet or portal and more than 4,000 for your web site
- If your employees use a **BlackBerry Wireless Handheld**, they can access the information you publish using *Publisher*

From scrolling headlines on your web site to delivering newsletters to employees all over the world — *Publisher* helps you give your site visitors and employees the information they need without leaving your site.
