LAUNCHING NEW CALCULATORS

The **Threshold Merger** notification tool is now available in the Commercial, Corporate and Mergers & Acquisitions modules.

You can use the Threshold Merger notification tool to find out where notification of a multi-jurisdictional merger must be made. The tool calculates the currency conversions and cross checks against worldwide merger notification thresholds, providing you a report which can be archived and shared with others.

You can access the **Threshold Merger** calculator in the **Key Resources** tab, in the module "Calculators". The direct links to the module calculators are provided below for your convenience:

Click [here](#) to access **Commercial Calculators**

Click [here](#) to access **Corporate Calculators**

Click [here](#) to access **M&A Calculators**

To start, click **New Merger** and then input all the relevant information.
