

Lexis Advance® Quicklaw®

Simple Search. Superior Insight.

Comprehensive

Powerful Benefits of Lexis Advance Quicklaw

Discover More

Simpler search and streamlined navigation get even better results from our renowned collection of trusted and comprehensive content.

Deliver Better Results

Build your case efficiently by searching with keywords, case citations, full Boolean syntax, or an easy-to-use natural language search phrase such as “principles of restorative justice.” You save time and clicks while getting more relevant results faster than ever.

Have Greater Impact

Lexis Advance Quicklaw gives you powerful new data visualization tools, exclusive search filters, and productivity-enhancing workflow collaboration tools. Your search for legal information and insight has never been easier or more flexible, letting you spend more of your valuable time on the matter at hand.

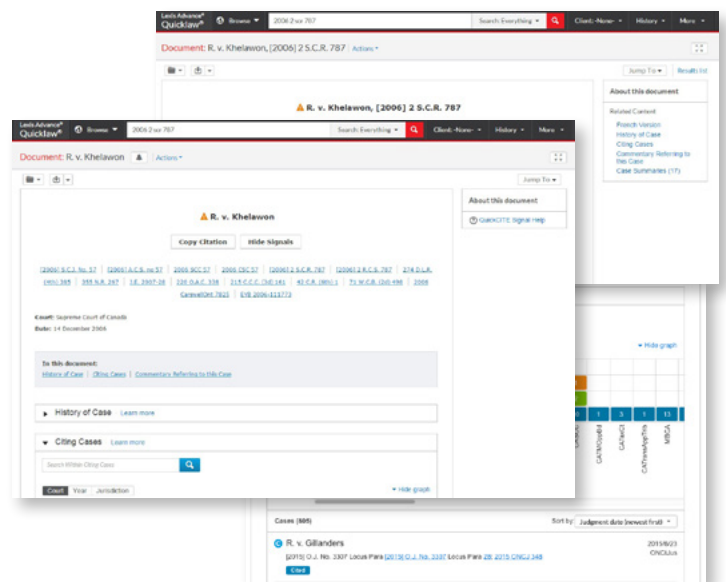

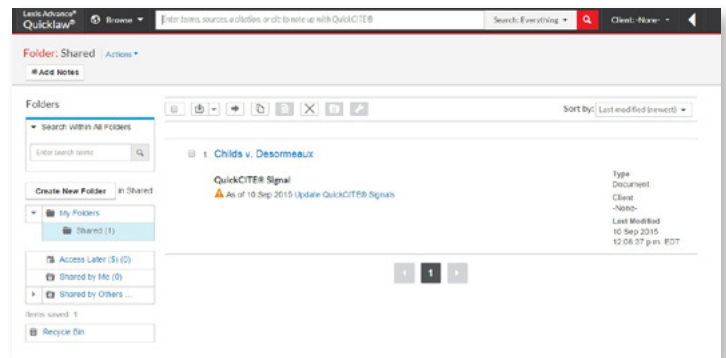

Exciting New Features

With Lexis Advance Quicklaw you can:

- Search simply, with straightforward natural-language terms
- Get more relevant results faster with pre- & post-search filters
- Promote team collaboration by saving and sharing your results in customizable folders
- Easily verify that an authority is “good law” with our powerful QuickCITE Citator
- Save time by visually reviewing, adjusting, and re-using your search history with our new Research Map
- Be confident that you are getting the same reliable information with the authoritative Quicklaw content that you know and trust
