Quicklaw[®] for Microsoft[®] Office — Enabling Cookie

Enabling Quicklaw[®] for Microsoft[®] Office Cookie

An Important Note about Changing Browser Settings/Configurations

The internet browser settings and configurations we suggest in this article relate to the optimum performance of the

LexisNexis® family of web-based products only. The settings you choose in configuring your browser directly affect all of the internal and external browser-based applications you use. You should always check with your Network Administrator or your PC/IT team before you change any system setting or configuration. If you have questions or concerns about the browser settings that you should use with LexisNexis products, please contact Customer Support.

You need to enable the cookie to use Quicklaw for Microsoft Office.

To enable the Quicklaw for Microsoft Office cookie on Microsoft[®] Internet Explorer[®] 7, 8 or 9:

- 1. Click Start, select Settings, and select Control Panel.
- 2. Double-click Internet Options.
- Click the Privacy tab on the Internet Properties window.
