## ABOUT

---

**Taron Consulting Inc.** provides assistance to small business with the set up and maintenance of their accounting records. Our goal is to provide timely & accurate financial statements to ensure our clients can make business decisions with confidence. We will design a bookkeeping process that is right for your business. We will take you through the accounting cycle with ease. Once an accounting system is in place, you will be able to make economic decisions with confidence.

We provide assistance with the installation of software, and personalized training for professionals & staff.

## WHAT DISTINGUISHES TARON CONSULTING

---

PCLaw Certified, Certified Professional Bookkeeper. We offer Consulting, training, setup, troubleshooting, customization, and implementation of LexisNexis PCLaw and a full range of accounting services to the legal industry in south western Ontario. We are also willing to travel and offer services remotely. We specialize in small law firms in any area of practice.
