Insolvency & Restructuring Module

Practical guidance for Insolvency & Restructuring practitioners

Hit the ground running with the Insolvency & Restructuring module of **Lexis Practice Advisor Canada**. It provides the most comprehensive and continually updated coverage of key fundamental and complex topics central to Insolvency & Restructuring practitioners.

Written by leading Canadian practitioners, the module offers expert practical guidance tools and time saving materials to enable legal practitioners to complete transactions efficiently and effectively.

This module of **Lexis Practice Advisor Canada** is a valuable resource that provides a wide array of topics and content most relevant to today's Insolvency and Restructuring practitioners. Relevant topics include, Bankruptcy and Restructuring Proceedings, Debtor-in-Possession Financing and Cross-border Insolvencies, as well as a wide variety of exclusive international topics from jurisdictions such as the US and U.K.

Lexis Practice AdvisorSM Canada

The first resource of its kind in Canada, **Lexis Practice Advisor Canada** is a practical online service that provides market standard tools for transactional matters. With **Lexis Practice Advisor Canada** legal professionals benefit from step-by-step guidance for dealing with transactions that span from the routine to the most complex. The result? Enhanced practice efficiencies and improved client service.

// Lexis Practice Advisor Canada has a dual purpose and dual benefit. It provides online access to a combination of practice notes and reliable precedents and other tools that identify what the issues are and how to carry out a task. You get the benefit of two different aspects of practicing law in one easy and intuitive workspace. //
