

Microsoft[®] Office Is Disabling Quicklaw[®] *for* Microsoft[®] Office Add-In

Problem Description

Microsoft Office can disable add-ins for multiple reasons. However, in most cases, Microsoft Office disables add-ins if the base requirements for the add-in are not being met.

Suggested Actions

To enable the Quicklaw *for* Microsoft Office add-in:

1. Verify that your system meets the technical requirements and that the Quicklaw *for* Microsoft Office prerequisites are installed.
2. Enable the Quicklaw *for* Microsoft Office add-in.
