▶ American Law Reports and American Jurisprudence

American Law Reports (ALR) is a print reporter series that provides in-depth treatment of specific legal issues. Cited by more American courts than any other secondary resource in the United States, ALR includes thousands of in-depth articles authored by American lawyers that cover the entire breadth of U.S. law.

With its overview of broad legal principles on civil, criminal and procedural law, **American Jurisprudence** (Am Jur) is an excellent starting point for research into U.S. law.

▶ Australia and New Zealand Primary Law Collection

The Australia and New Zealand legal collection on Quicklaw provides access to federal, state/territory case law and legislation.

- Australian Law Reports consists of decisions of the High Court, and significant decisions of the Federal Court and the Supreme Court. It also incorporates the Northern Territory Reports and the authorized Australian Capital Territory Reports.
- Australian Current Law delivers fast, complete notification of all superior court cases and legislative changes to keep you up-to-date on the latest developments in these countries. All entries are consolidated by subject area and jurisdiction, making it quick and easy to locate relevant cases or legislation. Coverage extends back to 1976 for cases and to 1991 for legislation.
- CaseBase Case Citator is a comprehensive case citator and annotator containing over 410,000 case entries. It covers more than 60 Australian and overseas report series and the unreported decisions of the High Court, the Federal Court, the Supreme Courts of all Australian states and territories, the Federal Magistrates Court, the Land and Environment Court of New South Wales,

the Administrative Appeals Tribunal, and other selected jurisdictions

- New Zealand Law Reports is the official report series of New Zealand. It includes decisions of the Judicial Committee of the Privy Council, the Court of Appeal, and the High Court.
- The Laws of New Zealand encyclopedia provides a reliable statement of the whole law of New Zealand – statutory, regulatory, and judicial.

▶ Halsbury's Laws of England

Make your research more efficient with the only comprehensive narrative statement of the law of England and Wales and the most accurate citation authority used in the United Kingdom. It contains law derived from every source, written by or in consultation with leading practitioners and academics to ensure readers benefit from a wealth of knowledge and experience.

- 50 volumes of Halsbury's Laws of England and the most recent Annual Cumulative Supplement
- Halsbury's Statutes Citator to check for any subsequent repeal or amendment relating to over 7,600 statutes
- Halsbury's Statutory Instruments to trace statutory instruments of England and Wales (over 13,000 currently in force) by title or citation
- Halsbury's Is it in Force? contains the information needed to establish the exact commencement dates of Acts of general application in England, Wales, and Scotland, and Acts of the Scottish Parliament passed since 1960

▶ **International Forms & Precedents**

An essential international collection of forms and precedents that maximizes productivity and effectiveness with the most authoritative and complete set of customizable documents from the United Kingdom and the United States.

- Forms are fully customizable according to your drafting needs
- Expert guidance for completing forms and specific transactions to save you time when drafting and re-drafting documents
- Concise and in-depth commentaries covering over 55 legal areas
- Alternative clauses providing legal and practical background on a particular subject

Warren's Forms (US)

This 8-volume set consists of numerous well-defined, well-prefaced forms covering nearly every transaction that litigators and solicitors will encounter in a business practice. The set serves as both a legal reference resource and a valuable drafting tool.

Each chapter contains introductory material that provides legal and practical background information pertaining to the particular subject, followed by complete forms and specific clauses.

Topics covered include business organizations, computer agreements, employment agreements, general business and commercial loans, real estate, and

intellectual property and technology agreements. A special section on boilerplate clauses provides a selection of clauses from which the drafter may adapt to customize a form.

Atkin's Forms & Precedents (UK)

The only encyclopedia of civil litigation forms, precedents and procedure available in the United Kingdom. It contains an unrivalled collection of the main procedural documents required in every civil proceeding before the courts and judicial tribunals of England and Wales, including:

- Over 10,000 forms and precedents compliant with Civil Procedure Rules, drafted in a concise, modern, and authoritative manner
- Expert commentary providing guidance through general and specialist court procedures
- Forms fully annotated and cross-referenced to the appropriate paragraphs in the explanatory text
- Handy checklists to help you avoid procedural errors

Encyclopedia Forms & Precedents (UK)

The most comprehensive source of transactional precedents in the United Kingdom, it covers almost every topic that both the specialist and non-specialist lawyer, in non-contentious fields of practice, are likely to encounter, including:

- An unrivalled collection of 12,000 forms and precedents including drafting notes, alternate clauses and official forms.
- Concise commentaries on the law as well as practical checklists and procedural tables
- The *Encyclopedia of Forms & Precedents* Index containing the consolidated index to the Encyclopedia and the latest edition of the annual Form Finder.
