Richer analysis. Deeper insights.

Developed for the LexisNexis Quicklaw subscriber, the broad selection of Practice Area Pages allows you to add additional content to your existing subscription from multiple practice areas to ensure that you have access to all of the material integral to your business.

Offering ten practice areas to choose from, each Practice Area Page compliments Quicklaw and provides expert commentary, tools and resources along with the same outstanding Quicklaw experience you expect.

- Get faster results by searching through the collection of insights, commentary and summaries from experts in your practice area and ensure that you get up to speed without wasting resources
- Maintain your competitive advantage through the usage of exclusive content including Netletters and Newsletters to keep you up to date and current
- Alleviate the stress of manually looking for changes in case law and legislation by setting and managing alerts that will notify you immediately as relevant content is updated or changed
- Regularly certify the authority of your case using QuickCITE, a case citator with over 1.5 million unique cases and over 4 million individual treatments to find the most current revision in statutes across every Canadian jurisdiction
- Enable collaboration on any file by saving it locally, emailing it to colleagues or, uploading it to a shared folder
- Benefit from interactive tools allowing you to compare jurisdictional differences in your area of practice linked with expert commentary

To learn more about any of these content packages please contact your account manager, call **1-800-255-5174**, or visit lexisnexis.ca/quicklaw to learn more.

► What's New

Continuing to be the leading provider for legal research and insight, Quicklaw has added new content, titles, commentary and tools that let you practice more efficiently.

New Tools and Resources

New to Quicklaw is additional commentary that provides jurisdictional insight for both legislation and case law along with summaries of your practice area. These interactive tools allow you to quickly locate information across several topics and include:

- **Roadmaps**
 - Providing a head start on research, use a roadmap to gain a quick summary of any area of law, highlighting the primary areas of focus. Quickly view any associated commentary with embedded links directing you to the tools needed to complete your research.
- **Smart Charts & Tables of Concordance**
 - Quickly compare information and legislation across jurisdictions and narrow down results to the information that you are concerned with.
