

Gain on-demand access to your complete eBook collection wherever your work takes you—without limitations. Just use the LexisNexis Digital Library online or through our applications to experience the authoritative LexisNexis titles you trust in market-leading eBook format.

ANYTIME, ANYWHERE ACCESS

- **Compatible with all major devices** (laptop, tablet, smartphone) through any modern browser.
- **Access eBooks offline**, through the LexisNexis Digital Library app.

WORKFLOW EFFICIENCIES FOR FASTER RESEARCH

- **Fast access to eBooks with a user-friendly home page** that displays your recently read eBooks, annotations and personal tags, so you can quickly resume your work.
- **Search full text in eBooks** or use the table of contents panel to quickly locate on-point topics.
- **Create color-coded highlighting and personal notes**, visible only to you, in your view of an individual eBook.
- **Copy and paste or download annotations** with citation information for quicker document assembly.
- **Link to cases and statutes in the Lexis Advance® Quicklaw® service** to supplement your research.*

COST AND TIME SAVINGS

- **Share right away with other office locations**—cut costs and eliminate shipping delays. Plus, each office can have full access to all library titles without license circulation constraints.

MORE TITLES THROUGH ONE RESOURCE

- **Supplement your collection** with business skills materials, how-to software guides or even other legal publishers' books by adding titles from OverDrive® to your collection.
