## Quality content you can trust

Focusing on the significant legal issues that matter most in courts today, the Atlantic Canada collection includes provincial and federal court documents. The foundation of the collection has been based on our prominent secondary publications, including Halsbury's® Laws of Canada and Ontario Reports which have been expanded on by our in-house legal experts. This strategic approach ensures arguments can be developed based on current legal language and law that is recognized by the courts.

## Expedite your research process

With the easy-to-navigate Lexis Advance Quicklaw interface you can find relevant court documents quickly and understand the context of them at-a-glance without having to scan an exhaustive list of results.
