

The screenshot shows the Lexis Advance Quicklaw interface. At the top, there is a search bar with a search icon and a magnifying glass. Below the search bar, there are navigation options: "Browse", "Sources", and "Actions". The "Sources" tab is selected. On the left side, there is a "Search Within Sources" section with a search input field and a magnifying glass icon. Below this, there is a "Narrow By" section with a dropdown menu set to "Canada". Underneath, there is a "Content Type" section with a list of categories: "CA Cases" (34), "CA Drafting Materials" (8), "CA Legislation" (9), "CA News" (7), and "CA Secondary Materials" (16). A red arrow points to the "CA Cases" category. In the main content area, there is a list of sources: "Oak Bay News", "The Oil & Gas Extractive Industries", "Ontario Accident Benefit Cases", and "Table of Contents - Ontario Accident Benefit Cases". A red arrow points to the "Add source as a search filter" button. At the bottom right, there is an information icon (i).

2. You can also search or browse source listings:

- D** Click Browse, then select Sources, Select Country. Browse by jurisdiction, content category, practice area or subscription. Or click All Sources to search and browse alphabetically by title.
- E** Enter a title or partial title. Suggestions are provided as you type. Click the gray magnifying glass to search.
- F** Filter sources by content categories, jurisdictions, etc. Find what you need more quickly by selecting filters (e.g., Cases), then, then Court Decisions, then select one or more jurisdictions.
- G** Browse All Sources alphabetically. Use this bar first to select a letter, then add content category and jurisdiction filters.
- H** Click a source link and you can:
  - Retrieve all available documents for that source
  - Add the source to your search
  - Set up an Alert update to get new releases from that source
- I** Click the information icon to display the source description with details on content, coverage and update schedule.
