

Costs Outside of Your Subscription

Documents outside your subscription are clearly marked and cannot be accessed unless you take active steps to purchase them. Many out-of-subscription sources can be added to your searches without extra cost. There are no search charges or hourly charges in Lexis Advance Quicklaw subscriptions.

Screens shown here are examples; they do not reflect current Lexis Advance Quicklaw prices.

Selecting out-of-subscription sources

From Browse Sources screens:

You can search a source with one asterisk at no charge, but you will incur document-access charges if you select documents from the results screen. Sources with two asterisks and a grayed-out source name cannot be added to your search.

Out-of-plan documents in search results

All out-of-subscription documents are marked. To help you make a purchase decision, you can view your search words in context as well as the applicable cost. Documents available at a special price include a Save! icon. (Not shown.)

You can only access the document via the Get it now! link; the document title is not linked. You can also save the document to a Folder and purchase it later. There is no charge to hold an out-of-plan document in a Folder. Click the checkbox, then the Folder icon and make your Folder selection.

Linking to out-of-plan documents

If you click an embedded link (i.e., attempt to link from a full-text subscription document to an out-of-plan document), you are notified and can cancel the task, save, or purchase the document.

Reminders on documents you purchase

Once purchased, non-subscription documents can be used for 90 days, or for one year if the document is saved to a Folder. Lexis Advance Quicklaw shows you the expiration date on:

- Full-text documents in the About this document box
- Search results listings showing that document
- History lists displaying that document
- Folder listings for that document. Updates to that Folder document during the year you use the document are included in the purchase price.
