

History: Use The Map To Expand Your Research

The screenshot displays the Lexis Advance Quicklaw interface. At the top, the search bar contains 'breach of contract'. Below the search bar, the 'History' section is active, showing a 'Research Map' for 'breach of contract'. The map shows a trail starting from 'breach of contract' (10 Sep, 2015) and branching into 'Cases' (134063), 'Federal' (8588), and a date range '01 Jan, 1980 to 31 Dec, 2003' (3631). Below this, there are sections for 'breach of duty' (175664) and 'age discrimination' (4944). The interface includes various navigation and filtering options, such as 'Narrow By', 'View by', 'Date', and 'Show Trails'. Red callout letters A through H are placed over specific features in the interface.

- A** Get a step-by-step graphical depiction of your research. Click Research Map to identify explored versus non-explored paths, possibly uncovering other relevant results.
- B** Learn more about map icons and graphical trails.
- C** Add your History Map to one of your Folders or create a new one.
- D** Share your History Map via email, download it or print it.
- E** Compare two or three search results to find common documents – and perhaps expand your research. Click a map search icon and select search to compare results.
- F** Find similar relevant documents by clicking a document icon in your map and Select document to find similar. Then click Find Similar Documents. This is a fast way to compare relevant documents and to find ones you may not have reviewed yet.
- G** Filter by client, date, etc. and search for words included in your map. You can also exclude specific searches/ trails on your map or change the trail order. Click Reset map to default view to clear filters.
- H** Click a map icon and choose to re-run your search or save a search to a Folder.
