### QUICKCITE® SIGNALS

A QuickCITE signal appearing next to a case name indicates whether the decision has received positive, negative, cautionary, or neutral treatment in subsequent judgments. The signal is a summary of the annotation information available from the list of appeal proceedings and cases referring to this case, and it also provides a link to the corresponding QuickCITE record. Keep in mind that not every case has a QuickCITE signal.

A QuickCITE signal appearing next to a statute or regulation name indicates a QuickCITE legislation citator record is available.

COSTS OUTSIDE OF YOUR SUBSCRIPTION

Documents outside your subscription are clearly marked and cannot be accessed unless you take active steps to purchase them.

Screens shown here are examples; they do not reflect current Lexis Advance Quicklaw prices.

Selecting out-of-subscription sources

From Browse Sources screens:

You can search a source with one asterisk at no charge, but you will incur document-access charges if you select documents from the results screen. Sources with two asterisks and a grayed-out source name cannot be added to your search.

Out-of-plan documents in search results

All out-of-subscription documents are marked. To help you make a purchase decision, you can view your search words in context as well as the applicable cost. Documents available at a special price include a Save! icon. (Not shown.)

You can only access the document via the Get It Now! link; the document title is not linked. You can also save the document to a Folder and purchase it later. There is no charge to hold an out-of-plan document in a Folder. Click the checkbox, then the Folder icon and make your Folder selection.

Reminders on documents you purchase

Once purchased, non-subscription documents can be used for 90 days, or for one year if the document is saved to a Folder. Lexis Advance Quicklaw shows you the expiration date on:
