

LEXIS ADVANCE® QUICKLAW® RELEASE COMMUNICATION

What's New - Summer 2017

Just Released in August 2017

Responsive Screen Design

Have a wide monitor? Good news! Through our new responsive screen design, Lexis Advance Quicklaw pages will automatically adjust to the width of your browser window and ultimately your screen size (up to 1440 pixels). That means you'll be able to maximize what you see on your screen and take advantage of the previously unused white space on the left and right sides of the page.

**MORE
MUST-HAVE
CONTENT**

Condensed View in Results List

More information is now available at your fingertips! While Expanded View will continue to include the overview and excerpts from the content in the displayed results, Condensed View now provides additional information such as parallel citations and case summaries.
