

Smart Charts

Smart Charts are a smarter way to digest large amounts of information and provide you with a topic search tree view of the document. You can expand the tree, often multiple levels deep, until you get to the section of the document that you want. Below is a breakdown of the Smart Charts available in different modules.

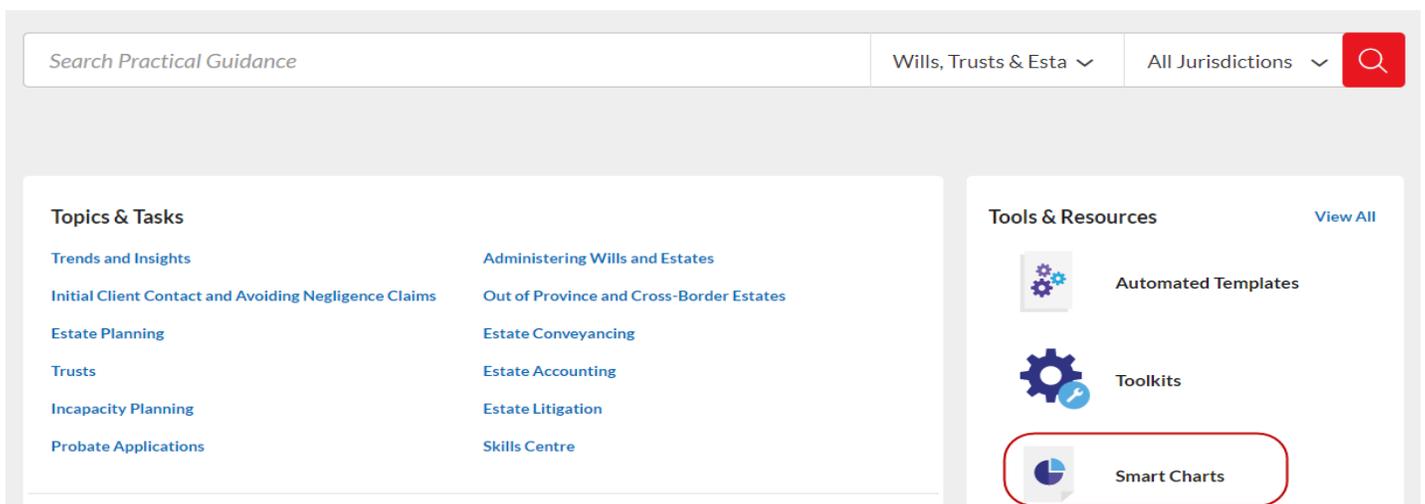

Breakdown of Smart Charts

How to Access Smart Charts

Quick Reference: Tools & Resources Tab > Smart Charts

Smart Charts can be found under the Tools & Resources tab. The screenshot below shows the Smart Charts under the Wills, Trusts & Estates (Ontario) module:

The screenshot shows the LexisNexis interface. At the top, there is a search bar with the text "Search Practical Guidance". To the right of the search bar are two dropdown menus: "Wills, Trusts & Esta" and "All Jurisdictions". A red search icon is visible in the top right corner. Below the search bar, there are two main sections. The left section is titled "Topics & Tasks" and contains a list of links: "Trends and Insights", "Initial Client Contact and Avoiding Negligence Claims", "Estate Planning", "Trusts", "Incapacity Planning", "Probate Applications", "Administering Wills and Estates", "Out of Province and Cross-Border Estates", "Estate Conveyancing", "Estate Accounting", "Estate Litigation", and "Skills Centre". The right section is titled "Tools & Resources" and contains three items: "Automated Templates", "Toolkits", and "Smart Charts". The "Smart Charts" item is highlighted with a red rounded rectangle.

How to Use Smart Charts

Smart Charts provide information in a tree view. Step one: expand the tree to locate the information you want. For example, in the Intestacy Provisions Smart Chart, the tree was expanded by clicking on the arrows to get to the No Spouse or Issue clause as shown below:

Step 1 – Selecting Topic(s)
