Do you need
to monitor
and be alerted
to legislative
changes that
impact your
industry?

We can help.

Built with simplicity, the Canadian Legislative Pulse allows you to track and monitor specific Acts and Regulations that you've selected, helping you stay compliant with the laws and regulations that govern how your organization operates.

Monitor, Search, and Track

Monitor the progress of legislation from first reading to royal assent to the coming into force of each provision.

Search for updates to federal and provincial Bills.

Track what's new, what's changed, and when a Bill moves through a session, or a new Regulation is introduced.

Alerts

The Pulse provides various types of email notification options to help you keep up-to-date with changes.

New Bill Alerts

This email alert allows you to select the jurisdictions you are interested in and notifies you whenever new legislation is added to the Canadian Legislative Pulse site.

Affected Legislation Alerts

This email alert notifies you when a new Bill is introduced that is proposing changes to a specified Act. It also alerts you when a New Regulation is introduced, or an existing Regulation is amended.

Folder Alerts

This email alert allows you to monitor the progress of specific Bills you have added to a Pulse folder for tracking, including changes to proclamation information.

Weekly Bill Alerts

This email alert is a summary of all the Bill changes that have occurred to the Pulse site in the past week.

Database

Access a database of all Bills dating back to 2002 and Regulations dating back to 2007 with easy-to-use point and click options.

Allows you to link through to the full text of any Bills.

Search by Bill number, Bill title, Chapter number, or statutes affected. You can also search Regulations by enabling Act, Regulation number, Regulation title, and Regulation amended.

About LexisNexis
