### ABOUT

---

**Compu-Law Consulting** has worked exclusively with PCLaw for over 25 years with installations and training from 1 lawyer to 80 timekeepers. We have assisted over 1100 lawyers with PCLaw. We provide basic training for the new user and advanced training to maximize efficiency for the experienced user.

Expertise includes troubleshooting problems and assistance with balancing PCLaw.

**Carmen Gallant** has extensive experience with Law Society audits including correcting deficiencies and answering Law Society questions during the audit. We will train onsite and are willing to travel. Our exceptional service will ensure that PCLaw is customized to fit your law firm needs.
