ABOUT

You're an expert in the law. We're an expert in what keeps a law firm running smoothly, efficiently and profitably. We have seen how lawyers can struggle with their back-office processes and operations. We offer robust and sophisticated tools – including PCLaw™ – and concrete advice to maximize your firm's performance.

WHAT DISTINGUISHES VINE & ASSOCIATES

We believe PCLaw™ is an invaluable business management tool – yet many small-to-medium sized law firms are not taking full advantage of PCLaw's robust capabilities. We have helped many firms become more skilled and integrated in their use of PCLaw by performing training, creating customized billing templates, and helping firms become more business savvy in their use of PCLaw. Specializing in firms of 1-25 lawyers in Ontario.
