

## Tip Sheet | **Costs Outside Your Subscription**

Documents outside your subscription are clearly marked and cannot be accessed unless you take active steps to purchase them.

*Screenshots shown here are examples; they do not reflect current Lexis Advance® Quicklaw® prices.*

### Selecting out-of-subscription sources

\* Additional charges will apply for viewing or delivering documents in this source.  
\*\* Contains restricted documents - search prohibited

You can search for a source with one asterisk at no charge, but you will incur document-access charges if you select documents from the results screen. Sources with two asterisks and a grayed-out source name cannot be added to your search.

### Out-of-plan documents in search results

All out-of-subscription documents are marked with a **Get It Now!** icon. To help you make a purchase decision, you can view your search words in context and see the applicable cost. Documents available at a special price include a **Save!** icon. (Not shown.)

The screenshot shows a document titled "4. Social Host Liability". The main text discusses the legal concept of social host liability, mentioning cases like *Childs v. Desormeaux*. A "Get It Now! for \$8" button is visible. On the right, a sidebar lists "Content Type" as "Textbooks" and "Source" as "Canadian Tort Law (Linden, Feldhusen)".

You can only access the document via the **Get It Now!** link; the document title is not linked. You can also save the document to a Folder and purchase it later. There is no charge to hold an out-of-plan document in a Folder. Click the checkbox, then the Folder icon and make your Folder selection.

## Linking to out-of-plan documents

From **Browse Sources** screens:

If you click an embedded link (i.e., attempt to link from a full-text subscription document to an out-of-plan document), you are notified and can cancel the task, save, or purchase the document.

The notification box has a green background and contains the following text: "Additional Charges Will Apply", "This material is not included in the flat rate plan for this ID", a button labeled "List Price:\$8", and "Client ID: -None-".

## Reminders on documents you purchase:

Once purchased, non-subscription documents can be used for 90 days, or for one year if the document is saved to a Folder. Lexis Advance Quicklaw shows you the expiration date on:

- Full-text documents in the **About This Document** box
- Search results listings showing that document

- History lists displaying that document
- *Folder listings* for that document. Updates to that *Folder document* during the year you use the document are included in the purchase price.
