

## Tip Sheet | Smart Charts

**Smart Charts** are tools that are unique to LexisNexis. They save users' time by identifying, organizing and analyzing legislative information across jurisdictions. **Smart Charts** offer an innovative approach to accessing information. They briefly outline the section(s) under review, provide links to relevant legislation, and then direct users to additional commentary on the topic.

Find the answers you are looking for by using the simple point-and-click options provided in the relevant **Smart Chart(s)**.

1. Select the appropriate **Smart Chart** from the list provided.
2. Using the template provided, select the topic(s) of interest, and click **Results**.
3. Results appear in a chart format, with the answer clearly outlined in the **Result** column.
