

Efficient Browsing

You can now browse to the content you need faster in Practical Guidance. By using our explore content pod, you can easily filter the content available to you by Practice Area, Content Type, or Jurisdiction. The explore content pod is available to you on your individual practice area home pages as shown below.

The screenshot shows the Lexis Practical Guidance interface for the Employment practice area. At the top, there is a navigation bar with the Lexis Practical Guidance logo, a 'Practice Areas' dropdown menu, a search bar labeled 'Search Practical Guidance', and a breadcrumb trail 'Home / Employment' followed by 'Employment' with a link icon. Below the navigation bar, the 'Employment' page features an 'explore content pod' with three main sections: 'Topics', 'Content Type', and 'Tools & Resources'. The 'Topics' section includes links for 'Trends and Insights', 'Client Intake and Communication', and 'Commencing the Employment Relationship'. The 'Content Type' section, which is highlighted with a red box, lists 'Practice Notes', 'Precedents', and 'Clauses'. The 'Tools & Resources' section lists 'Forms' and 'Checklists'. The 'Content Type' and 'Jurisdiction' tabs are also visible at the top of this section.

The explore content pod is also available on your Practical Guidance homepage.

The screenshot shows the Lexis Practical Guidance homepage. The navigation bar at the top includes the Lexis Practical Guidance logo, a 'Practice Areas' dropdown menu, a search bar labeled 'Search Practical Guidance', and a search button labeled 'Search: Everything' with a magnifying glass icon. Below the navigation bar, the 'Practical Guidance' page features an 'explore content pod' with three main sections: 'Practice Area', 'Content Type', and 'Jurisdiction'. The 'Content Type' section, which is highlighted with a red box, lists 'Practice Notes', 'Precedents', and 'Clauses'. The 'Practice Area' section lists 'Forms', 'Tables, Flowcharts & Diagrams', and 'Articles'. The 'Jurisdiction' section lists 'Checklists'.

As an example, by clicking on the “Precedents” link under the Content Type tab, you will be prompted to further narrow your results by practice area or jurisdiction.

In the example below, the results have been refined by clicking on the “Capital Markets and M&A” practice area. With just a few clicks, we are able to locate all precedents under your desired practice area. You can now, narrow down the results even further by a particular topic or jurisdiction using the post search filters.

The screenshot shows the Lexis Practical Guidance interface. At the top, there is a search bar with the text "Search Practical Guidance" and a search button. To the right of the search bar, the current search path is displayed: "Precedents; Capital Markets and M&A". Below the search bar, the breadcrumb navigation shows "Home / Precedents / Capital Markets and M&A". The main content area is titled "Precedents (779)". On the left side, there is a "Narrow By" section with two filters: "Topic" and "Jurisdiction". The "Topic" filter shows a list of topics with their respective counts: Trends and Insights (43), Public Company Reporting (8), Corporate Governance (103), Registration and Investment Management (41), and Securities Offerings (154). The "Jurisdiction" filter shows a list of jurisdictions with their respective counts: Alberta (202), British Columbia (185), Canada/Federal (135), Manitoba (143), and New Brunswick (143). The main content area displays a list of precedents, each with a checkbox, a title, and a jurisdiction. The list includes: 1. Accommodation Policy (ON) - Jurisdiction: Ontario; 2. Acquisitions of Companies with U.S. Shareholders: Memorandum - Jurisdiction: United States; 3. Advance Notice By-law - Jurisdiction: Ontario; 4. Advance Ruling Certificate (ARC) Request - Jurisdiction: Canada/Federal; 5. Affidavit (Compel Secured Creditor to Sell Property) (ON).
